Skill at Arms - TERMS & CONDITIONS FOR GIFT VOUCHERS

Vouchers issued by Skill at Arms entitle the recipient to choose a date to book the stated experience day supplied by Skill at Arms. All Skill at Arms Vouchers carry a unique bar code number which must be entered into the booking system when the experience is being booked. Vouchers must be kept safely and securely after the booking has been made, and should be taken on the day of the experience.

International/overseas voucher orders

All prices shown on Skill at Arms websites are in GBP and all transactions are conducted in GBP. If ordering from overseas or from a foreign currency account you may be charged fees by your bank to process the transaction. These fees are in addition to any prices on our website and are beyond our control.

Availability

The recipient is free to book their preferred date within the Voucher validity period. Experiences are subject to availability and, in some cases, may be subject to weather conditions (only in the most extreme cases would we cancel an experience day – please ensure you bring adequate clothing for the expected weather). To avoid disappointment we recommend that customers book well in advance although the booking system is updated constantly so keep checking back for cancellations if a desired date is full.

Restrictions

Please ensure you read our 'What to Expect' page as restrictions may vary between the different experiences. These could include (but are not limited to) age, medical restrictions, and any previous experiences attended (example would be the extended experience (1b) which requires all attendees to have attended the beginners experience (1a)). It is your responsibility to ensure that you choose an experience appropriate for the intended recipient and it is the responsibility of the recipient to double check that the restrictions are not prohibitive. If you are unsure of the suitability please contact us and we will be happy to advise you.

Spectators

Spectators are welcome but parking is limited so please bare this in mind when arranging travel.

Prices & locations

We reserve the right to vary the prices of the experiences which we offer. However once a voucher has been purchased, it is eligible for redemption on the states experience no matter if the price has gone up or down vs the paid voucher price.

V.A.T.

Prices shown include V.A.T when and where applicable.

Security

Vouchers can be replaced if lost or stolen, only if they have not been redeemed yet. As soon as a voucher is lost or stolen, we must be contacted at vouchers@skillatarms.co.uk where we can cancel and re-issue a new voucher providing it has not been used for a booking yet.

Validity

The voucher validity period is generally 12 months from date of purchase unless otherwise stated. Experiences must be booked prior to the expiry date printed on the voucher, however the experience date itself can be before or after this date. Unused vouchers after their expiry date will become null and void and are not exchangeable or extendable.

Exchanges

Experience vouchers are flexible. If you want to exchange your voucher this is what you need to know:

- You can exchange a voucher if for example, you as a recipient have already attended that experience and wish to choose a new experience, or if you are unable to attend the stated experience due to eligibility or previous experience attendance.
- If your exchange is more expensive than your original voucher you will be required to pay the difference.
- If your exchange is less expensive than your original voucher, we will provide you with a discount code of the remaining value to be used on any experience that we offer. This discount code will be valid for ~12 months from issue. This discount code cannot be used in conjunction with any other deals or offers that Skill at Arms provide.
- You may only exchange a gift voucher once.
- The exchanged voucher will carry the same expiry date as the original purchased voucher.
- To exchange your voucher please email us at vouchers@skillatarms.co.uk

Refunds

- Refunds can be made on unused vouchers bought directly from Skill at Arms within 14 days of purchase.
- A refund cannot be given once the booking has been made.
- Refunds can only be made to the purchaser and the monies will be refunded directly to the original method of payment (paypal/card).
- Refunds cannot be given on expired, extended or exchanged vouchers.
- Competition prizes or promotional free gifts cannot be refunded.
- To request a refund of your gift voucher please email vouchers@skillatarms.co.uk with your name, contact number and voucher code along with a reason for your refund request. This must be sent within 14 days of purchase.

Feedback & problems on the day

We welcome your feedback on all of our experience days. If you encounter a problem on the day, please immediately bring it to the attention of the host at the venue so that they have a chance to put matters right. If you have attempted resolution but the problem was not resolved on the day, please contact us within a week of your experience (providing your voucher serial number, participant's name and issue details, including who you spoke to on the day) and we will be happy to resolve the matter as best we can. You can contact us by any of the means on our contact page at www.skillatarms.co.uk/contact.html or if you prefer, post. Please check your booking documentation for our postal address (and please include your returns address and all the information requested above).

Cancellation by Skill at Arms

If an experience is cancelled by Skill at Arms either before or on the day of the event due to circumstances beyond their control, we will arrange to re-book the participant at a mutually agreed time on our behalf. Skill at Arms cannot be held liable for any costs including (but not limited to) travel expenses or pre-booked accommodation costs incurred by the participant in the event of a cancellation and Skill at Arms's total liability for any claim in connection with an Skill at Arms experience shall be limited to the price paid for the gift voucher or the current experience price, whichever is lower.

Cancellation by participants

Once you make a booking you are bound by the booking terms and conditions.

Competition Prizes, Special Offers and Promotional Offers cannot be refunded or extended unless otherwise specified. (A promotional product refers to a voucher which was sold at a discounted price or as part of a special offer, whether or not this is stated on the voucher).
